DREMEL MAKER DAYS PROMOTION RETURNS NOW THROUGH SEPTEMBER 4

Dozens of Dremel tools, discounts and daily prizes up for grabs

MOUNT PROSPECT, Ill., August 1, 2017 – With a commitment to the Mission to Make, the Dremel brand announces the return of Dremel Maker Days, a monthlong promotion that offers daily sweepstakes and product offers for Makers interested in upgrading their toolbox, craft room or makerspace. Starting Aug. 1 and running through Sept. 4 on DremelMakerDays.com, Dremel will host a digital calendar of daily sweepstakes and product offers through various retail partners.

To participate, fans must complete a registration form for a chance to win one of the daily prizes on DremelMakerDays.com. Tool offers include the new Dremel 4300, Dremel Multi-Max, Dremel Maker Kit and Hatch Project Kit among many others. Sweepstakes prizes are revealed each day on the website and on the Dremel brand's social media channels, so Makers are encouraged to check back often.

"Last year we launched Dremel Maker Days to connect Makers with the resources they need to make their projects stand out," said Allison Fishman, director of Dremel Brand Marketing. "We were blown away with the interest and interaction, and we couldn't wait to bring it back for year two. With our Mission to Make in full swing, now more than ever Dremel is dedicated to providing versatile products that nurture creativity."

In addition to daily giveaways and deals, there are two Maker Days grand prizes: both tool packages are valued at \$3,000. These exclusive prize packs include more than 10 tools from Dremel and [RotoZip](http://RotoZip.com). Fans that enter to win the daily prizes are automatically entered to win the grand prize; however, fans have the opportunity to earn bonus entries for an increased chance of winning the grand prize. They can do so in four ways:

- Watching a Dremel video.
- Uploading a receipt of a Dremel purchase.
- Uploading a photo of one of their own projects.
- Referring friends to sign up for Maker Days through Facebook or Twitter.

Fans can visit www.DremelMakerDays.com or www.Dremel.com for a full list of terms and conditions.

About Dremel

Since inventing the high-speed rotary tool in 1934, the Dremel brand has been helping Makers with its full line of versatile, easy-to-use tool systems that deliver the perfect solution for almost any job. From our Dremel rotary tools, Multi-Max™ oscillating tools, Ultra-Saw™ and Saw-Max™ multi-saws, and Fortiflex™ flex shaft tool to the Idea Builder™ 3D printer, Makers have come to know and trust the brand to complete their projects. Combining compact size, ergonomic design, precision and versatility with a wide range of highly engineered accessories, Dremel tools can be used to accomplish numerous applications in a variety of materials.

Today, as a wholly owned subsidiary of the Robert Bosch Tool Corporation in Mount Prospect, IL, Dremel celebrates 85 years in business and maintains its commitment to innovation and quality. Regardless of what the task may be, the Dremel brand is dedicated to empowering Makers through creativity, precision and project enjoyment.
