

Dremel® Dust Blower 490 Fact Sheet

The Dremel® Dust Blower is a new, must-have rotary accessory for craft and hobby enthusiasts. When mounted to a Dremel rotary tool, this fan removes fine debris including dust, from the user's line of sight.

Performance

- The new Dremel Dust Blower blows dust away, improving visibility—perfect for detailed projects that involve sanding, engraving or carving.

Versatility

- The Dust Blower fits all Dremel rotary tools with a standard collet nut, with the exception of the Dremel 4200.
- Always comes in handy, because it stays on the tool.

Catalog number: 490

The Dremel Dust Blower is now available at most hardware and home improvement centers nationwide for an MSRP of \$3.99.
